“R.I.B.I.T.” Reading Program: (“Reading In Bed is Terrific”)

“R.I.B.I.T.” Reading Program: (“Reading In Bed Is Terrific”)

Dear Families:

I have a special program in my classroom that I am very excited about, as it helps each and every child to become a better reader. As you already know, learning to read takes lots of practice, and we can't do it all at school without your help. In just _____ minutes per day, you can help your child by listening to them read to you and by reading to him or her daily.

Reading is the key to your child's success in school. Good readers enjoy books and do well in their schoolwork. Whether your child is just beginning to learn the letter sounds and names, is reading a few sight words, or is already reading books and stories, Home Reading will allow him or her to greatly improve their reading skills.

Here's how my Home Reading Program works:

1. Every _____, your child will select a book at their independent reading level, and bring it home in a manila envelope. You will listen to your child read the book to you several times that evening, giving them encouragement and praise. Multiple readings build skills, comprehension, and fluency. You and your child will spend approximately _____ minutes together each night reading the book they chose.

2. Before reading the book, look at the pictures and discuss what the book is about. (Even adults usually know what a book is about before they read it. That's why they print a brief explanation on the back of novels and other books).

If your child is a beginning reader, you should ask them if they know any of the words in the book. Always praise their attempts: for example, if the word is "pretty" but they say "park," tell them that both words start with "p" and encourage them to look further into the word and use the letter sounds to try to figure out the word. Children should also be encouraged to use other clues for figuring out words, such as pictures or the meaning of the sentence. Your main job is to ENCOURAGE your new reader and give them the confidence that they CAN and DO read, at whatever level is appropriate. This has to be a positive experience for the child.

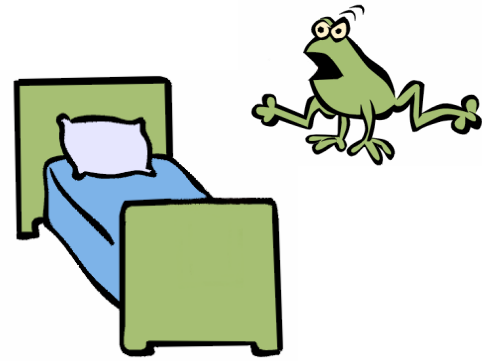

3. Fill out the “R.I.B.I.T.” Reading chart each time your child reads and sign your name.

4. Return the book in the envelope on _____.

5. Each time your child has read 50 books and recorded them on their “R.I.B.I.T.” Reading chart, I will give them a gift certificate for the ‘Frogstone Grill’, as a gift from me to encourage their good reading habits. Students can win more than one gift certificate per year. Monthly and Yearly prizes will be awarded to the school with the highest percentage of gift certificates returned to the Frogstone Grill.

HAPPY READING!

Please join in the fun in making your child a better reader and a successful student. This year our class is participating in the “R.I.B.I.T” Reading program (“Reading In Bed Is Terrific”) sponsored by the Frogstone Grill. This is how it works:

Multiple readings build skills, comprehension, and fluency. Your child will spend approximately _____ minutes each night reading the book they chose.
- Fill out the “R.I.B.I.T” Reading chart each time your child reads and sign your name.

Hi
I'm Lilly

Hi Kids,

We are so excited to be
visiting your classroom this
month!

We know you will take extra
special care of us.

Here are a few things to remember when
taking care of frogs:

1. Read to us every day!
2. Please don't eat with us
at your desks during
recess or lunch. We don't
like people food (only flies).
3. Only let us talk if your
teacher says it's ok.
4. Please don't bring us
home because we really
like your classroom.

and
I'm Pad

Thanks and have fun with us!

Love Lilly and Pad
