Helpful hints for planning your groups event

- Be sure to call and reserve a spot for your party. We take reservations Sunday-Thursday.
- Make sure everyone remembers to choose all the options for each item, eg: fries, Caesar, how the steak is to be cooked, etc.
- Fax or email your order, then phone us to confirm that we have received everything, and that we are ready for your party.
- If you don't see a menu that suits your needs, or if you would like dessert, wine, etc. added to a menu, give us a call and we can put something together for your group.
